Corporate News

Allterco AD (A4L) announced the intent to acquire 100% of Slovenian IoT provider GOAP d.o.o. Nova Gorica for ca. EUR 3.3m in a mix of cash and shares deal. Allterco views this acquisition as a way to expand their portfolio to retail and professional clients allowing them to add automation services and products – specifically targeting smart homes and larger premises, including ships.

Gradus AD (GR6) made the decision to distribute part of the profit of 4 of its subsidiaries as dividend payments for a total of BGN 7mln. They also showed Q1 2022 results. The overall revenues decrease by 18.2% predominantly due to accounting for only 1/4th of the revenues from financing. By the year end, this effect will be compensated fully. Within the account, the nearly complete disappearance of revenues from grain is compensated by increases from meat by 16.9% and eggs by 21.1% leading to a complete recovery after the covid restrictions.

Doverie Holding (DUH) announced that its subsidiary in Moldova Moldindconbank S.A. will take the decision on 16.06.2022 to not distribute dividends as part of the central regulation to ensure capital adequacy in the ongoing crisis associated with the proximity to the war in Ukraine.

Webit Investment Network (WIN) was successfully listed on the BEAM market, raising BGN 5,588,000 in a 2.5x oversubscribed listing. The market showed great interest in the model of its founder Plamen Rusev, who, together with a jury from senior execs in major international IT companies, will be using the raised capital to make numerous first round investments in promising IT and disruption companies.

Economic News

➤ The Bulgarian economy advanced 4 percent year-on-year in the first quarter of 2022, missing initial estimates of 4.5 percent increase, and slowing from a revised 5 percent expansion in the previous quarter. Still, it was the fourth quarter of growth, after over a year of contraction.

➤ Industrial production increased 16.9% YoY and retail sales increased 5.9% YoY
